

Summer READING

Dear Parents!

Summer is just around the corner! Reading over the summer has the potential to prevent a decline in reading achievement scores from the spring to the fall. Attached is a game board for reading! Encourage your child to read and do some Imagine Learning this summer! Follow the directions at the bottom of the game board.

Just like last year, Alvin ISD will be holding a district wide celebration at the beginning of the school year to celebrate summer reading! We want all students to participate in the reading celebration at the start of the 2020-2021 school year. To do this, please have your child read and color in each square on the attached reading game board. Return to your child's 2020-2021 reading teacher in August when we return to school. They will put their names on the list so we can celebrate their reading adventures from the summer this fall!

If you have any questions, please feel free to email me at pshroffbarr@alvinisd.net.

Where will your reading adventure take you this summer?

Pooja Barr
Literacy Coach
