SUBJ: Request for Award of Proposal #1502GOE

This proposal was established to qualify approved vendors under the State Purchasing Guidelines CH Legal and Education Code 44.031(a) whereby school districts are required to utilize a competitive bidding method that provides the best value for the district when making purchases valued at \$50,000 or more in **the aggregate** for a 12 month period. To satisfy this State Law, Alvin ISD extended this proposal.

The proposal was extended based on prior year's usage, staff requests and vendor requests. Over 93 vendors were extended packets by mail, fax and email with 63 qualified responses. Additional information on the proposal was extended through the legal notice in our county newspaper, emails to budget managers as well as the District website to solicit participation in our bidding process. The proposal was monitored through our ION Wave Bidding Program for participation and final award.

As State Law requires aggregate purchases (an accumulation of yearly purchases) to be grouped into categories or commodities, the following were identified from annual reports. These total expenditures were reported from various approved vendors under proposal #'s 1212GOE AND 1202GOE and were based off last year's expenditures.

GOE – General Operating Supplies (A-393-20)	\$124,212.39
Bottled Water (A-390-91)	\$1,279.15
Catering/GOE – Restaurants & Catering for Meetings and Events (A-393-09)	\$83,470.55
Dry Cleaning Services (A-954-20)	\$4,421.21
Event Center/Banquet Facilities (A-962-34)	\$18,390.40
M & O Athletic Maintenance and Repair (A-912-63)	\$1,708.78
M & O Refrigeration Equipment and Accessories (A-740-00)	\$10,825.57
Meeting & Event Supplies (A-037-34)	\$1,043.07
Printing Services – Newsprint (A-966-17)	\$5,185.00
Printing Services – Outside (A-966-18)	\$31,449.63
Support Services Uniforms Rental (A-954-00)	\$2,426.00
Transportation – Vehicle Rental (A-962-34)	\$1,815.24
Flowers, Plants & Gifts (A-393-05)	\$853.50
Mailing Services (A-962-64)	\$4,544.91

This total yearly expenditure is not guaranteed for the term of the contract to any one vendor as award is requested as a non-exclusive award contract. Some of the contract awarded vendors were also approved through state cooperatives.

The approved vendors from the above proposals mentioned were extended the electronic proposal to provide the new database information for the campuses. As we transition our proposals in Purchasing to an electronic bidding system and provide an electronic database for staff referencing of approved vendors, this proposal was extended with over 18 identified commodity sub-categories for vendors to provide discount pricing.
