SUBJ: Request for Award of Proposal #1504LAW ENFORCEMENT EQUIPMENT, SUPPLIES AND SERVICES CATALOG

This proposal was established to qualify approved vendors under the State Purchasing Guidelines CH Legal and Education Code 44.031(a) whereby school districts are required to utilize a competitive bidding method that provides the best value for the district when making purchases valued at \$50,000 or more in **the aggregate** for a 12 month period. To satisfy this State Law, Alvin ISD extended this proposal.

The proposal was extended based on prior year's usage, staff requests and vendor requests. Over 80 vendors (62 from Ion Wave – multiple commodities and 18 from our end-user department) were extended packets by mail, fax and email with **19 qualified responses**. Additional information on the proposal was extended through the legal notice in our county newspaper, emails to budget managers as well as the District website to solicit participation in our bidding process. The proposal was monitored through our ION Wave Bidding Program for participation and final award.

The approved vendors under our current RFP numbers 1204LAW AND 1312LAW-CAT were extended the electronic proposal to provide the new database information for the campuses and departments. As we transition our proposals in Purchasing to an electronic bidding system and provide an electronic database for staff referencing of approved vendors, this proposal was extended with **8 identified commodity sub-categories** for vendors to provide discount pricing. The sub-categories were extended with commodity coding to provide for future yearly aggregate financial track-ability. As State Law requires aggregate purchases (an accumulation of yearly purchases) to be grouped into categories or commodities, the following were identified from annual reports. These total expenditures were reported from various approved vendors under proposal #'s #1204LAW and #1312LAW-CAT and were based off last year's expenditures.

<u>Commodity Category</u>	<u>Total Expenditure</u>
Canine (K-9) Police Dog Training Equipment, A-680-33	\$2,374.36
Forensic & Lab Supplies & Equipment, A-465-16	\$10,397.97
General Police Supplies & Equipment Not Otherwise Classified, A-680-00	\$300.00
Law Enforcement Training Supplies, A-680-67	-
Miscellaneous Traffic Control Markers, Crossing Guard Supplies, A-550-00	-
Police Awards, Plaques, Badges & Emblems, Etc., A-080-15	-
Uniforms Accessories & Equipment, A-201-63	\$8,192.60
Law Enforcement Services Not Otherwise Classified, A-961-47	\$744.50

This total yearly expenditure is not guaranteed for the term of the contract to any one vendor as award is requested as a non-exclusive award contract. Some of the contract awarded vendors were also approved through state cooperatives.

A non-exclusive award is requested to allow each participating vendor to supply discounts off catalog pricing and company price quote requests to meet our campuses and departments classroom needs at the lowest practical price and best value with the flexibility to purchase from a list of approved qualified vendors meeting the terms and conditions established for this contract.

This proposal is requested for award under a one-year contract with a two (2) year renewal extension as long as both parties agree to the terms of the contract for use on an as needed basis and funds are available for these commodities. Renewal of this contract is not anticipated until April, 2018. Additional proposals of this nature will be extended for vendor participation; however, this will not disqualify any vendors awarded under this contract, but will allow for additional vendor participation in the future under these commodities.

Attached please find the database information that details the approved qualified vendor information, commodity sub-category discounts off catalogs and other pertinent information extracted from their qualified electronic proposals. Request approval for award to all vendors meeting specifications outlined under proposal #1504 **LAW ENFORCEMENT EQUIPMENT, SUPPLIES & SERVICES** as a non-exclusive award.
