SUBJ: Request for Award of Proposal #1511 ATH/Core Inst/CTE/ FA/ Lib/ Sp Ed Catalog

This proposal was established to qualify approved vendors under the State Purchasing Guidelines CH Legal and Education Code 44.031(a) whereby school districts are required to utilize a competitive bidding method that provides the best value for the district when making purchases valued at \$50,000 or more in **the aggregate** for a 12 month period. To satisfy this State Law, Alvin ISD extended this proposal.

The proposal was extended based on prior year's usage, staff requests and vendor requests. Over 167 vendors were extended packets by mail, fax and email with 90 qualified responses. Additional information on the proposal was extended through the legal notice in our county newspaper, emails to budget managers as well as the District website to solicit participation in our bidding process. The proposal was monitored through our ION Wave Bidding Program for participation and final award.

As State Law requires aggregate purchases (an accumulation of yearly purchases) to be grouped into categories or commodities, the following were identified from annual reports.
