RE: January 2016 Contract Submissions

- *Federal Programs Contract Service Proposal (FPCSP) – #1601FPCSP*
 - *Contracted Service Proposal (CCP)– #1601CS RFP – Contracted Services Proposal*
-

Beginning this school year, new policies and procedures have been established to provide for any and all Service Contract Proposals to be extended monthly for board award due to the total aggregates in any given category being over the \$50,000 threshold pursuant of 44.031 (a) and 44.031(f). This is the November submissions for award by the board at the December board meeting.

We have established two types of contracts for extension:

- Federal Programs Contract Service Proposal (FPCSP) under the EDGAR Federally Funded Guidelines with a one (1) year term contract
- Contractor/Consultant Proposals (CCP) with a three (3) year term contract, should all parties agree to these terms

All proposals and agreements were extended by fax, email and mailed to various vendors meeting the specified commodity code qualifications identified per contracts. The proposals and agreements were also made available on the Alvin ISD Website as well as staff were informed of the proposal process and encouraged to contact vendors.

We are requesting all proposals to be awarded as NON-EXCLUSIVE contracts as one by which multiple vendors may be designated as suppliers for the items covered under the terms of the contract for the duration of said contract.
