SUBJ: Request for Award of Proposal #1603 ATH/ CORE INST /CTE/ FA/ LIB/ SPED Catalog

This proposal was established to qualify approved vendors under the State Purchasing Guidelines CH Legal and Education Code 44.031(a) whereby school districts are required to utilize a competitive bidding method that provides the best value for the district when making purchases valued at \$50,000 or more in **the aggregate** for a 12 month period. To satisfy this State Law, Alvin ISD extended this proposal.

The proposal was extended based on prior year's usage, staff requests and vendor requests. Over 220 vendors were extended packets by mail, fax and email (28 from expiring proposals #1303 INST/SPED/INST/ATH/LIB and #1212 GOE, 13 requested from end users; 198 invited from ION wave; and 6 invited from other contracts such as sole source, and redirections from existing GOE proposals) with 78 qualified responses. Additional information on the proposal was extended through the legal notice in our county newspaper, emails to budget managers as well as the District website to solicit participation in our bidding process. The proposal was monitored through our ION Wave Bidding Program for participation and final award.

The approved vendors from expiring proposals #1303 INST/SPED/INST/ATH/LIB and #1212 GOE proposals were extended the electronic proposal to provide the new database information for the campuses. As we transition our proposals in Purchasing to an electronic bidding system and provide an electronic database for staff referencing of approved vendors, this proposal was extended with over 91 identified commodity sub-categories for vendors to provide discount pricing. The sub-categories were extended with commodity coding to provide for future yearly aggregate financial track-ability.
