RE: June 2016 Contract Submissions for the 2016 – 2017 School Year

- *Federal Programs Contract Service Proposal (FPCSP) – #1606FPCSP*
 - *Contracted Service Proposal (CCP)– #1606CS RFP – Contracted Services Proposal*
-

Beginning this school year, new policies and procedures have been established to provide for any and all Service Contract Proposals to be extended monthly for board award due to the total aggregates in any given category being over the \$50,000 threshold pursuant of 44.031 (a) and 44.031(f). This is the May submissions for award by the board at the June board meeting.

We have established two types of contracts for extension:

- Federal Programs Contract Service Proposal (FPCSP) under the EDGAR Federally Funded Guidelines with a one (1) year term contract
- Contractor/Consultant Proposals (CCP) with a three (3) year term contract, should all parties agree to these terms

All proposals and agreements were extended by fax, email and mailed to various vendors meeting the specified commodity code qualifications identified per contracts. The proposals and agreements were also made available on the Alvin ISD Website as well as staff were informed of the proposal process and encouraged to contact vendors.

We are requesting all proposals to be awarded as NON-EXCLUSIVE contracts as one by which multiple vendors may be designated as suppliers for the items covered under the terms of the contract for the duration of said contract.

Federal Programs Contract Service Proposal (FPCSP) – #1606FPCSP

Under the guidance of the Education Department General Administrative Regulations (EDGAR) and 44.031(a) (2), we are requesting a one year term contract award. With this approval at the June Board, under EDGAR guideline, a Letter of Intent must be extended to these awarded vendors explaining this is a NON-EXCLUSIVE AWARD, whereby they are no guarantees until Federal Funding is approved.

Service Providers will be used on an as needed basis throughout the District. The services and commodity codes included in the FPCSP are listed below
