FROM: MICKIE DIETRICH

SUBJ: Request for Award of Proposal #1606 Technology Related Equipment, Software, Security Equipment & Supplies Catalog Bid Proposal

This proposal was established to qualify approved vendors under the State Purchasing Guidelines CH Legal and Education Code 44.031(a) whereby school districts are required to utilize a competitive bidding method that provides the best value for the district when making purchases valued at \$50,000 or more in the aggregate for a 12 month period. To satisfy this State Law, Alvin ISD extended this proposal.

The proposal was extended based on prior year's usage, staff requests and vendor requests. Over 234 vendors were extended packets by mail, through our bidding software, fax and email with 52 qualified responses. Additional information on the proposal was extended through the legal notice in our county newspaper, emails to budget managers as well as the District website to solicit participation in our bidding process. The proposal was monitored through our ION Wave Bidding Program for participation and final award.

The approved vendors from the above proposals mentioned were extended the electronic proposal to provide the new database information for the campuses. As we transition our proposals in Purchasing to an electronic bidding system and provide an electronic database for staff referencing of approved vendors, this proposal was extended with 14 identified commodity sub-categories for vendors to provide discount pricing. The sub-categories were extended with commodity coding to provide for future yearly aggregate financial track-ability. The following categories were included on 1606 Technology Related Equipment, Software, Security Equipment & Supplies Catalog Bid Proposal:

Cable Construction, Installation and Maintenance (Fiber Optic, Communication, Computer, etc.) (A-962-18); Intercom Systems (A-725-32); Computer/Hardware/Peripherals including Network Components: Adapter Cards, Bridges, Connectors, Expansion Modules/Ports, Firewall Devices, Hubs, Line Drivers, MSAUs, Routers, Transceivers, Switches, etc. (A-204-00); Networking Services, Including Installation, Security And Maintenance (A-939-72); PC, Laptops, Handheld Computers, Notebooks, Printers, PDA's, accessories, Peripherals, etc. (A-204-52); Repair Services – PC, Laptops, Handheld Computers, Notebooks, Printers, PDA's, etc. (A-939-00); Security Systems/ Card Access/ Security Equipment and Services (A-906-78); Servers – Microcomputer (Application, Database, File, Mail, Network, Web, Software etc.) (A-209-00); Software (A-208-00A); Telephone Service Providers (A-915-77); Telephone Systems, Components, Conference Sets, High Volume, Call Answering, Headsets, Accessories, etc. (A-725-55); Uninterruptible Power Supplies (A-204-72); Video and Audio Systems,

Components, Accessories and Parts (A-880-11); and Wireless Service Providers and Equipment (A-725-51).

Propose award to all 52 vendors meeting specifications outlined in Proposal #1606 Technology Related Equipment, Software, Security Equipment & Supplies Catalog Bid Proposal. Attached is the list of vendors that participated in the bidding process and are proposed for award. This listing will be placed on the website as approved vendors for purchases upon Board approval. This proposal requested a one-year term contract award with a two-year renewal extension; therefore, this proposal will not expire until June, 2019
