RE: June 2018 Contract Submissions for the 2018 – 2019 School Year

- *Federal Programs Contract Service Proposal (FPCSP) – #1806FPCSP*
 - *Contractor Consultant Proposal (CCP)– #1806CS RFP*
-

Policies and procedures have been established to provide for any and all Service Contract Proposals to be extended monthly for board award due to the total aggregates in any given category being over the \$50,000 threshold pursuant of 44.031 (a) and 44.031(f). These are May submissions for award by the board at the June board meeting.

All proposals and agreements were extended meeting the specified commodity code qualifications identified per contracts. The proposals and agreements were made available on the Alvin ISD Website as well as staff were informed of the proposal process and encouraged to contact vendors.

We are requesting all proposals to be awarded as NON-EXCLUSIVE contracts as one by which multiple vendors may be designated as suppliers for the items covered under the terms of the contract for the duration of said contract.
