- *Federal Programs Contract Service Proposal (FPCSP) – #1908FPCSP*
- *Contractor Consultant Proposal (CCP)– #1908CS RFP*

Policies and procedures have been established to provide for any and all Service Contract Proposals to be extended monthly for board award due to the total aggregates in any given category being over the \$50,000 threshold pursuant of 44.031 (a) and 44.031(f). These are July submissions for award by the board at the August board meeting.

All proposals and agreements were extended meeting the specified commodity code qualifications identified per contracts. The proposals and agreements were made available on the Alvin ISD Website as well as staff were informed of the proposal process and encouraged to contact vendors.
