A non-exclusive award is requested to allow each participating vendor to supply discounts off catalog pricing and company price quote requests to meet our campuses and departments classroom needs at the lowest practical price and best value with the flexibility to purchase from a list of approved qualified vendors meeting the terms and conditions established for this contract.

This proposal is requested for award under a one-year contract with a two (2) year renewal extension as long as both parties agree to the terms of the contract for use on an as needed basis and funds are available for these commodities. Renewal of this contract is not anticipated until December, 2024. Additional proposals of this nature will be extended for vendor participation; however, this will not disqualify any vendors awarded under this contract, but will allow for additional vendor participation in the future under these commodities.

Attached please find the database information that details the approved qualified vendor information, commodity sub-category discounts off catalogs and other pertinent information extracted from their qualified bid proposals. Request approval for award to all vendors meeting specifications outlined under the #2112 GOE CATER FUND CATALOG DISCOUNT PROPOSAL as a non-exclusive award.
