1.) By signing and submitting this form, the prospective lower tier participant (*vendor submitting proposal*) is providing the certification set out below in accordance with these instructions. 2.) The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective lower tier participant (*vendor submitting proposal*) knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment. 3.) The prospective lower tier participant (*vendor submitting proposal*) shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant (*vendor submitting proposal*) learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances. 4.) A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Non-procurement List. 8.) Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings. 9.) Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction (*contract*) with a person who is suspended, debarred, ineligible, or voluntarily excluded from participating in this transaction, in addition to other remedies available to the Federal Government, the department or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

House Bill 1295

As of January 1, 2016, a new state policy was implemented that affects all proposals which are awarded by our Board of Trustees. HB1295 basically states the following...

House Bill 1295 amended the Texas Government Code by adding Section 2252.908, the Disclosure of Interested Parties. Under this Section 2252.908, (Alvin ISD) is prohibited from entering into a contract resulting from an RFP with a business entity unless the business entity submits a Disclosure of Interested Parties (Form 1295) to the District at the time business entity submits the signed contract. The Texas Ethics Commission has adopted rules requiring the business entity to file Form 1295 electronically with the Texas Ethics Commission.

Changes to the law requiring certain businesses to file a Form 1295 are in effect for contracts entered into or amended on or after **January 1, 2018**. The changes exempt certain businesses from filing a Form 1295 for certain types of contracts and replace the need for a completed Form 1295 to be notarized. Instead, the person filing a 1295 needs to complete an "unsworn declaration."

Detailed Instructions for Compliance with HB1295

FEDERAL COMPLIANCE GUIDELINES FOR THE USE OF FEDERAL FUNDS

Alvin ISD has elected to solicit pricing from Qualifying Vendors, Awarded Proposals Vendors and/or Cooperative Vendors as set forth under the requirements of the Code of Federal Regulations (CFR) Title 2 Grants and Agreements, Part 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. (2 CFR §200).

Following these federal requirements will allow for federal funds, entrusted to Alvin ISD, to be used to make purchases through the anticipated contract(s). The CFR is the codification of the general and permanent rules published in the Federal Register by the departments and agencies of the Federal Government produced by the Office of the Federal Register (OFR) and the Government Publishing Office. The CFR may change during the term of the contract and the supplier may be required to make adjustments as necessary.

It is necessary for the supplier to certify and agree that they, as a company, understand and comply with all applicable areas identified below and included with this attachment. Some of the areas may not be applicable to this solicitation and it is the supplier's sole responsibility to identify which areas are appropriate for the solicitation. Failure to affirm and agree to these requirements may, at Alvin ISD's discretion, disqualify the associated response to this solicitation or limit the use of the awarded contract based on the funding source.

Alvin ISD reserves the right, at any time within the contract term, to require an awarded supplier to reaffirm, sign and resubmit proper documentation stating their company is not debarred, or if any other circumstances change related to the original response.

The following terms are applicable to all solicitations:

1. **General.** Included for all solicitations regardless of type of specialty.

- 1.1 **Debarment and Suspension (executive Orders 12549 and 12689).** A contract award (see 2 CFR 180.220) must not be made to parties listed on the government wide Excluded Parties List System in the System of Award Management (SAM), in accordance with the OBM guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension" The Excluded Parties Listed System in SAM (sam.gov) contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549. Prior to award, Alvin ISD will verify that the supplier is not currently listed as debarred by the Federal government. If the supplier is found to be on the Federal debarment list, Alvin ISD, at its sole option, may elect to not award to the supplier. If awarded, and during the contract term, the supplier becomes debarred, the supplier must notify Alvin ISD within five (5) Alvin ISD business days of the debarment. Alvin ISD, at its sole judgement, may elect to cancel the associated contract or limit the contract to non-federal funds. Such judgement will be done in writing within twenty (20) Alvin ISD business days. During this assessment period, no contract orders can be placed by Alvin ISD using federal funds.

- 1.2 **Conflict of Interest.** 2 CFR 200.318(c)(1) states that Alvin ISD must maintain written standards of conduct covering conflicts of interest and governing the actions of its employees engaged in the selection, award and administration of contract. No employee, officer, or agent may participate in the selection, award, and administration of a contract supported by a Federal award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent, any member of his or her immediate family, his or her partner, or an organization which employs or is about to employ any of the parties indicated herein, has a financial or other interest in or a tangible personal benefit from the contract awarded to a specific supplier. The officers, employees, and agents of Alvin ISD may neither solicit nor accept gratuities, favors, or anything of monetary value from suppliers or parties to subcontracts. However, Alvin ISD may set standards for situations in which the financial interest is not substantial or the gift is an
- 1.3 unsolicited item of nominal value. The standards of conduct must provide for disciplinary actions

to be applied for violations of such standards by officers, employees, or agents of Alvin ISD. It is the responsibility for the supplier to identify and make Alvin ISD aware of any potential conflicts of interest that exist between their company and Alvin ISD. Failure to do so will cause the associated supplier response to be disqualified from further consideration, or if already awarded, the associated contract will be cancelled based on cause.

- 1.4 **HUB Certification.** Pursuant of 2 CFR 200.321. Bidding companies that have been certified by the State of Texas as Historically Underutilized Business (HUB) entities are encouraged to **attach a copy of the HUB Certification** when responding to this proposal invitation. This information will be included in the vendor profiles and may be used for consideration of purchase(s).
 - 1.5 **Termination for Cause.** All federal contracts, in excess of \$10,000, must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be affected and the basis for settlement. As per Alvin ISD does not have a threshold, all contracts for any amount may be terminated for cause.
2. **Small Purchases (2 CFR 200.320).** Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that do not cost more than the *Simplified Acquisition Threshold (SAT)*.
- 2.1 If small purchase procedures are used, price and rate quotations must be obtained from an adequate number of qualified sources. Specifically, for multiple award catalog-based or non-identifiable pricing based on a percentage off catalog, Alvin ISD may be required to submit a request for quotation from the contracted vendors for the purpose of meeting the competitive bidding requirements of this section.
3. **Large Purchases.** For individual purchases that exceed the *Simplified Acquisition Threshold*.
- 3.1 *Simplified Acquisition Threshold Contracts* for more than the Simplified Acquisition Threshold (SA) currently set at \$250,000 which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulation Council (Councils) as authorized by 41 U.S.C. 1980, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. In any case, contracts in excess of the state's or state agency threshold must address the foregoing. Any purchase that meets or exceeds the SAT threshold will require additional cost/price analysis by Alvin ISD. The supplier may be required to provide additional documentation to support this requirement based on the federal requirements at the time of the purchase.
 - 3.2 *Cost Analysis/Negotiation of Profit (2 CFR 200.323).* For contracts over the SAT, Alvin ISD must negotiate profit as a separate element of the price for each contract in which there is no price competition, including solicitations that received only one viable response. In all cases, a cost analysis is to be performed by Alvin ISD. To establish a fair and reasonable profit, consideration must be given to the complexity of the work to be performed, the risk borne by the contractor, the contractor's investment, the amount of subcontracting, the quality of its record of past performance, and industry profit rates in the surrounding geographical area for similar work.
 - 3.3 *Supplier Violation or Breach of Contract Terms.* For contract awards valued at or greater than the SAT, Alvin ISD must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate. The remedies under the contract are in addition to any other remedies that may be available under law or in equity.
