 Subject: Proposal Analysis for 2009 Custodial Equipment & Supplies Bid

Non-exclusive bid invitations were extended for supplies; chemicals and equipment for the 2020 - 2021 school year with the option to award for an additional two years should the product performance prove advantageous to the district. Invitations were sent out to area vendors, a public notice was posted in the Facts and on the district website. Sixteen (16) packets were extended to area vendors with thirteen (13) bid proposal responses received. Responses were good and the proposal analysis is included for each line item.

Award items were selected based on long-term usage of brand name, reliability, dilution ratios and materials or repair / maintenance cost on items; recommend award to bidder with the best value to the district as indicated on the bid analysis. Below is the legend utilized for the award of these line items. This is an extensive line item proposal covering over 130 products utilized by the Operations Department.
