About Student Access

Student Access is a free service available to all students enrolled in Alvin ISD. Student Access is a secure Internet-based website that allows students to easily track their progress. There are even applications for Apple IOS and Android devices available from the appropriate stores. Among other things, this new service will allow students to view attendance, grades, schedule, progress, and assignments.

Logging into Student Access

There are two ways to login to Student Access. You can access it by going to the website: www.alvinisd.net, then clicking on the A+ in the upper right-hand corner. You can also click on Skyward Family Access under district announcements on the left hand side. Either link will open the login screen.
Once you have clicked on the Skyward Family Access, you will see the login screen. Enter your login and password. If you do not know it or you have forgot your Login/Password, Click on Forgot Your Login/Password.

After you click on Forgot your Login/Password, you will get this pop up. Check the box that reads “I’m not a robot”. Enter you Email or User Name and Submit.

Shortly after, you have submitted your request, you will receive an email with your login information. Step by step instructions are outlined below.
