We encourage you to fill out the medical history prior to printing the form.
2. All other required paperwork will be done electronically. The parent/guardian will be asked to provide information such as home phone numbers, cell phone numbers, email addresses, name of the primary physician, insurance policy information and other pertinent information. Please make sure you have this with you when filling out your forms electronically.
3. Remember that to submit online appropriately, you and your child must fill out and sign in all required spaces. Forms will not submit electronically without all required information being completed.
