

**Attention 6th and 7th Grade Harby Hawk Science Students:**

Here's a great summer program that might be of interest to you. Information is found below and the program requires an application.

You should apply!!!

The University of **HOUSTON** has been selected to host the ExxonMobil Bernard Harris Summer Science Camp (EMBHSSC). The EMBHSSC is an all-expenses-paid, two-week residential camp for junior high school students. Junior High and Middle School students (rising 6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> graders) live in residence halls on the University of Houston campus and attend daily classes filled with educational activities in science, technology, engineering, and mathematics.
