

Parent Pick Up – Car Riders

The safety of the students at Fairview is our #1 concern. We do not have sidewalks at Fairview, so bus transportation is provided for all students that are in our attendance zone. If you choose to pick up your students from campus, we ask that you assist us in the following way:

1. Please do not park in the staff parking area to pick up your child. Our staff monitors the students waiting at the car rider line, not the parking lot.

2. Please use the car rider template (a link is on our webpage) to place your student's name on your visor at the time of dismissal so that we can call your student to the car.
3. Please do not pull into the middle of the drive to go around vehicles unless directed to do so. Students are walking across to get to their cars in the other lane.
4. Follow the directions of the staff members in the middle of the drive.
5. Pull all the way forward so that we can load as many cars at one time as possible.

The car rider line is usually clear by 4:15 pm if you don't want to wait in a long line!

Thanks again for your cooperation!!

The Safety of Our Children is Our #1 Concern!!
