

Dental Insurance

Mobile App Available for iPhone and Android

The MetLife Mobile App¹ is now available on the App Store and Google Play!

Dental plans are now easier to view with the MetLife Mobile App, and it's available anytime. After downloading the app and registering at www.metlife.com/mybenefits from a computer, you can quickly and securely access coverage details, including these features.¹

Find a Dentist

Search our network of thousands of dentists and specialists to find a provider near you.

View your Claims

Simply view coverage details including your plan summary and claims.

View your ID Card

You may access your ID card and print it at any time. While you are not required to present an ID card to your dentist to prove coverage or confirm your eligibility, it may be nice to have on hand as needed.

iOS users can search and download the app on the App Store by searching "MetLife".

Android users can access the app on Google Play.
