Dear Longhorn Families,

As we embark upon the 2018-19 school year, I can't wait to see the many exciting things it will bring. Junior high is a time of excitement, trepidation, and so much learning and growing.

Parents, you share your most precious gift with us each day, and in turn, we give the best of ourselves to your family. Our teachers and staff are ready to support your students, showing them how to be learners, how to be thinkers, and how to be problem solvers. We will ask your student to learn better ways to communicate, stronger ways to advocate for themselves and others, and different ways to tackle obstacles. Each day, your student will take risks, and each day, our goal is to make them just a bit better than they were the day before.

Students, you give us your time and your brain, and in turn, we give you the knowledge and the skills you need to take on the world. Each of you has the power to change the world, to make it better and brighter. Longhorns are respectful, responsible, and caring, no matter where they are. We ask that you represent your families well when you are here at school with us, and we ask that you represent our school well when you are out in the community. We will be here to listen to you, to support you, to learn with you, and to guide you on your journey to high school and beyond.

Our wonderful school plays a part in making our community fantastic, and we are dedicated to the success of each student and every program. We invite everyone in the Shadow Creek community to help us in our endeavor to grow the successful adults of tomorrow.

This year is going to be the best year Nolan Ryan Junior High has ever seen because we have the best parents, the best kids, and the best team of educators a school could ever hope for.

Together with our amazing teachers, I am available to help you in whatever way I can.
#WeAreLonghorns

Sincerely,

Ashley Marquez
Principal, Nolan Ryan Junior High
