Accountability Rating: Met Alternative Standard

Mission Statement

The mission of ASSETS is to alter our students' perceptions of the value of education and opportunities it provides.

Vision

ASSETS Academy is a positive learning environment where students are challenged through high expectations to make choices that will result in life-long learning.

Core Beliefs

- We believe students are able to achieve academic success when challenged with relevant learning experiences.
- We believe parents should be an integral part of their children's education and plan for achievement in order to maximize their child's potential.
- We believe educators must continually grow to be life-long learners and set high expectations for achievement.
- We believe good character and integrity are the keys to a full and productive life.
- We believe each student has unique gifts and talents and should have the opportunity to transcend their circumstances.
