

Vision:

Meridiana Elementary is committed to creating a culture of respect, integrity, and commitment so that all of our students are empowered to become successful leaders and lifelong learners.

Core Beliefs:

- We believe that building positive relationships with our students is vital to their success.
- We believe that we should always make students our first priority.
- We believe that we must provide a safe and nurturing environment that fosters student success.
- We believe that we must be committed to providing engaging experiences to promote academic growth for all of our students.
- We believe that we must model life-long learning by growing professionally and learning from one another to foster student learning.
- We believe that collaborating and working with our parents and community are necessary to meet our students' needs.
- We believe that we must create a culture of pride and ownership for our campus.

LEARNING is an adventure. Never stop exploring!
