Innovative Teaching Grant Recipient Evaluation Form

Congratulations upon being awarded an Alvin ISD Education Foundation Innovative Teaching Grant for either the 2020-2021 or 2021-22 school year. We hope that the funds have helped many of you meet your grant's goals as well as the intended impact on your students.

We know that due to COVID 19 there were many unforeseen challenges. Grant recipients had the option to implement their grant last year, adjust their grant for this year, or defer their grant until the 2021-2022 school year.

GRANT FUNDS WILL NOT CARRY OVER TO NEXT YEAR.

PLEASE SPEND YOUR GRANT MONEY A.S.A.P.!

If you completed your grant's project, as written originally or with adjustments, you are requested to provide feedback by responding to each item on this three-page form. Your responses are confidential and will only be seen by Alvin ISD Education Foundation board members and Grant committee members unless otherwise noted.

The ITG Recipient Evaluation Form is intended to accomplish the following:

- Encourage recipients to reflect on the projects that have received funding so that lessons learned can be used to assist in continuous program development.
- Provide information to enable the Alvin ISD Education Foundation to evaluate the impact of its funding and to strengthen the Education Foundation's overall future grant decisions.

ALL GRANT RECIPIENTS PLEASE SUBMIT THIS FORM BY JUNE 1, 2022.
