

# WELCOME

**Welcome to Pre-K!** My name is Ms. Parker. I am from England and have lived in Texas for four years. This is also my fourth year at Pomona and my first year teaching Pre-K. I have been teaching for 12 years and my degree is in Early Childhood Studies. I am excited to get to know your child better and work with you to provide them with a great start to their school experience! There is a lot of information I need to share with you, so please read carefully!

**Drop off** Your child will need to be dropped off on the cafeteria side of the school. Arrival begins at 7:20 and doors will close at 7:50. Please make sure your child gets to school on time each day – we have lots of fun learning to do! If your child is walking to school, access will either be via the cafeteria or the front of the school (depending on which side you live).

**Breakfast** is free for your child. If you would like them to have breakfast at school, please drop them off as early as possible to allow them time to eat – doors open at 7:20 am. There are additional items in the cafeteria that require payment. If you would like to set up an account, please [download the school café app](#) or [login in to schoolcafe.com](#).

**Items your child will need each day** Please send your child with a back pack and water bottle each day, as well as a snack (suggestion Goldfish, Fruit Gummies – it must be something easy and not messy – no yogurts etc.). Your child will bring home a folder each day, which will have a behavior calendar inside. Please initial this each night. If you ever need to send money in to school, please always put it in a named bag and include the form that was sent home too). [Please send a change of clothes in case of accidents.](#)

**Dismissal** If you are collecting your child by car or are walking, please be outside the cafeteria doors at 11:10. The children will be dismissed at 11:15 promptly.

**ClassTag** You will soon receive an invitation to ClassTag via text message. Please join as this is where I will post information, photos and other things. You can message me on ClassTag at any time and I will respond as soon as possible.
