Homework

Homework involves practice of skills learned in class and will need to be completed on your own time.

Late/Make-Up Policy

All late work will receive a grade penalty.
Students are responsible for collecting missing assignments.
You may only make-up tests during tutorial hours.

ADDITIONAL POLICIES

Tutorials

Tutorials will be on Monday, Tuesday & Wednesday after school from 4:30-5:00. If these times do not accommodate your schedule, please see me so we can find a time that works for both of us. You may re-do failing assignments or tests during tutorials.

Technology

We will be utilizing various resources to access the internet to research, review material, and submit assignments. You must hold yourselves to high expectations when you use these resources.

Unless I specifically say that you may have your cell phones out, you must keep them away at all times. Not seen, not heard, not taken.

Academic Dishonesty

All work that you submit must be your own. If you are doing anything that constitutes as cheating, you will receive a zero on the assignment and you will be referred for discipline. You must show your work in order to receive credit.

Other Policies

- You may have water in the classroom, but no other food or drinks.
- Do not interrupt valuable instruction to ask to go to the bathroom.
Please wait for an appropriate time.
- Come prepared to class with your materials and positive attitude.
 - Be respectful to everyone.
 - Clean up after yourself.
- Be an active participant in your learning. Communication is key!
