Statement of Purpose and Intent

Participation in after school extracurricular activities and/or parking on campus in the Alvin Independent School District (herein after referred to as the ‘District’) is a privilege. These students carry a responsibility to themselves, their fellow students, their parents, and their school to set the highest possible examples of conduct, which includes avoiding the use of illegal drugs, performance-enhancing drugs, and/or alcohol.

Participation

Each student who desires to participate in competitive after school extracurricular activities and/or parking permit privileges shall be provided with written information regarding the District’s random drug testing policy and a ‘*Student and Parent/Guardian Consent to Random Drug Testing*’ form which shall be read, signed, and dated by the student, parent and/or person otherwise in lawful control of the student. The consent requires the student to provide a urine sample to be tested for illegal drugs, performance-enhancing drugs, and/or alcohol when chosen through the random selection process. No student shall be allowed to practice or participate in any competitive after school extracurricular activities and/or parking permit privileges until the ‘*Student and Parent/Guardian Consent to Random Drug Testing*’ form is properly signed and returned.

Student Authorization

I, the above-named student, understand after having read the information regarding the District’s random drug testing that, out of care for my health and safety and that of other students, the District will enforce the rules applying to the use of illegal drugs, performance-enhancing drugs, and/or alcohol. As a member of one of the groups designated for inclusion in random drug testing, I realize that the personal decision that I make daily in regard to the consumption/use of illegal drugs, performance-enhancing drugs, and/or alcohol may affect my health and well being as the possible endangerment of those around me and reflect upon the group with which I am associated. If I choose to violate the random drug testing policy regarding the use of illegal drugs, performance-enhancing drugs, and/or alcohol any time while I am involved in any activity, including in-season or off-season activities, and/or parking permit privileges, I understand upon determination of the violation, I will be subject to restrictions as outlined in the random drug testing policy.
