

Parent Involvement Policy – Title I 2021-2022

Goal:

Walt Disney Elementary is dedicated to the goal of working together with parents, staff, and the community to ensure the success of all students. We encourage parents to visit the school because we believe that a strong school-home relationship increases students' opportunities to become successful students and productive citizens.

Title I- Parent Representatives

Walt Disney's Site-Based Committee holds several meetings each year. The committee includes a parent representative and provides opportunities for parent input and feedback throughout the year. An additional parent representative also serves on the Alvin ISD District Title I Parent Involvement Committee.

School-Parent Compacts:

Walt Disney Elementary teachers conduct parent/teacher conferences to discuss students' progress and expectations. During these conferences, parents and teachers review and complete individual school-parent-student compacts. The compact outlines parents', teachers', and students' responsibilities that contribute to high student achievement. Parents, students, and teachers sign the compact as an acknowledgment of their commitment to student success.

Parent Communication:

To keep parents informed of activities at school, a calendar is sent home each month and is put on our website with important dates highlighted. Meetings with parents are set up throughout the year, as needed. We communicate with parents through campus newsletters, calendars, announcements, phone calls, and campus marquee announcements, Booster Club meetings, E-news, Dojo, email, and our campus website.

Distribution of the Parent Involvement Policy:

The campus will notify parents of the policy in an understandable and uniform format and, to the extent practicable, in a language the parents can understand. The policy will be made available to the local community through the campus website under the Campus Parent Information Tab, the school's Social Media, and eNews. The Policy will be updated periodically to meet the changing needs of parents and the school.

Evaluation:

The success of Walt Disney's Parent involvement Policy will be evaluated using a parent survey at the end of the year.
